## Reference-Checking Notes

Use this contact information only for the identified opportunity. Ask the applicant to update information that has changed. A listed name alone does not establish permission to contact that person; rely on an explicit confirmation before making contact.

Keep inquiries relevant to the opportunity and follow applicable privacy and anti-discrimination requirements. This list is not a consumer-report disclosure or authorization. If a consumer reporting agency is used, determine the permissible purpose and provide the disclosures, authorization and notices required for that particular use. Employment and housing screening have different requirements.

## Applicant Attestation

I, Jordan Alvarez, attest that the information on this reference list is true and accurate as of September 10, 2026, that the dates shown for my completed contact checks are accurate and no later than the preparation date, and that I have obtained the permission of each person listed above to be included as a reference and contacted in connection with the opportunity identified on this document.
