ACTIVITY PLANNING WORKSHEET — UNSIGNED

Participant or representative: Jordan Example, 100 Example St. **Organization:** Example Activity Center, 200 Example St. **Prepared:** November 3, 2026.

Activity or equipment use: Recreational use of Example Activity Center. The location and terms for this proposed activity have not been confirmed. **Reported activity location:** Not established. **Particular risks identified:** Collisions with other participants while using the designated activity area.

Montana activity. The provider, location and applicable legal category must be established before using a separate waiver. This record does not by itself establish immunity or consent to treatment. **Virginia activity and injury claims.** When Virginia law applies, it does not permit an advance release of a participant's own claim for bodily injury caused by the other party's future negligence. A separately negotiated allocation of a third party's loss is a different question. This instrument grants no indemnity and does not settle existing injuries or property claims. The activity location in Virginia remains unresolved.

This worksheet does not authorize participation, release claims or bind anyone. Resolve the activity, parties and applicable requirements before using an operative document.

Treatment, use of a photograph, and any separate permission to participate require their own applicable process. The activity location and the chosen law (TX) may differ. This record does not decide a conflict of laws.
